Re: United States v. Joshua Robinson, No. 10-Cr-789

Dear Honorable Judge Garafaus:

I am writing your Honor respectfully seeking your assistance in obtaining in obtaining my sentencing transcripts in the above-named criminal case.

Specifically, I am attempting to obtain these transcripts so that I can show the Federal Bureau of Prison authorities that the sentence computation they have on record is incorrect. This is because I was not credited a period of over 24 months towards either my federal sentence or my consecutive state sentence. The latter of which I served over my maximum on due to the sentencing calculation error.

In order to have this computation error corrected I have to exhaust my administrative remedies, and may only do so by showing the errors in each of the federal and state sentencing records.

I have attempted to personally and through family members to contact the court stenographer; however, my family and I have repeatedly been told by the court stenographer "Mary" that the papers are on the way and that was several months ago.

I would very much appreciate your assistance in this very important matter, and look forward to hearing from Your Honor soon.

Respectfully submitted,

Joshua Robinson
